CAKE CONTACT TERMS & CONDITIONS (CONT.)

- All cake orders that are delivered have to be set out 1- 2 hours prior to your event. If we deliver the cake and there is no place to set up the cake and you place the cake elsewhere other than where it needs to be set up, such as a restaurant (they typically place the cake in the freezer/refrigerator) if you cut into your cake and its cold/frozen, this is not our responsibility due to the fact that the cake was not set up where it needed to be upon delivery at the 2 hour mark.
- If you submit a picture or bring a picture to the consultation that you want your cake to be based off of, it is your responsibility to state to us that you want the cake to look EXACTLY like. This means, colors, size, and structure will be close as possible. Once you make changes to the photo, it will not look like the picture you provided to Sweeter By the Pound. You are changing the look from the photo, which means, it will not look like the photo.
- I have agreed upon that Sweeter By the Pound can make adjustments as needed to make my cake as close to the photo or cake that was created during my consultation.
